## Recap August 2022

Brought to you by:

# August Online Activities

In August we continued to record and publish the CryptoCurious Podcast. The audio/video is recorded LIVE, so to provide an opportunity for the audience to engage and ask questions.

August 4th

Interview feat. André aka "787up" (CyberJiba)

August 18th

Interview feat. Gian Irizarry (dBloks)

August 25th

Interview feat. Elizabeth León Gonzalez esq. (TheWeb3Attourney)

# About the CryptoCurious Web3XP Podcast

Web 3.0 is the future of the Internet and "Web3XP" is the podcast that will help you eXPlore, eXPand and eXPerience this exciting world from the perspective of the people who are building it. Join us and learn about local projects, the latest innovations, and how you can get involved and participate in building the Web 3.0.

# July Stats

Streaming views | Twitter Views | Audio Listens

We expect views and listens to be few this month because the podcast hasn't been properly promoted.

# Collaborations and guest speaking

- Porsche NEXT Innovation Forum (Partnership)
  - August 11th
- PRGDA LIVE videocast
  - August 31st
